

SRL Diagnostics opens new lab in Jamshedpur

26 April 2022 | News

The new lab in the industrial town is SRL's 4th lab in the state of Jharkhand

SRL Diagnostics has launched a new laboratory in Jamshedpur, Jharkhand. The state-of-the-art laboratory can conduct 30,000+ tests in a month ranging from simple routine tests to semi-specialised and specialised tests.

The citizens of Jamshedpur will now have access to SRL's extensive test menu consisting of 3500+ tests and a range of well-curated preventive healthcare packages.

The advanced laboratory spread over 1100 sq ft has multiple laboratory divisions including haematology, biochemistry, clinical pathology, serology and microbiology. The laboratory is located at Kadma, Jamshedpur. With the addition of this new laboratory, SRL now has a network of 4 labs and 50+ collection centres across Jharkhand.
