Central animal facility of BITS Pilani opens for research activities

09 May 2022 | News

Jayesh Ranjan, Principal Secretary, Industries & Commerce and Information Technology, Government of Telangana inaugurates the facility

Jayesh Ranjan, Principal Secretary, Industries & Commerce and Information Technology, Government of Telangana recently inaugurated the Central Animal Facility of BITS Pilani, Hyderabad campus. The facility will provide scientific services and animal resources to students/researchers in conducting high quality research. Ranjan also visited various facilities of the institute like High Performance Computing Cluster, Dhruva Space Center and MMNE (Microfluidics and Nano-electronics) Laboratory.

Prof G Sundar, Director, BITS Pilani, Hyderabad Campus presented a few crucial research projects and various social outreach programmes undertaken by the institute aligned with the focus by the Government of Telangana.
