Neuberg signs JV with Bose Clinical Laboratory

Neuberg Diagnostics and Madurai-based Bose Clinical Laboratory have decided to form a joint venture (JV) to establish a state of art central laboratory in Madurai catering to the needs of southern Tamil Nadu. The new company will be called Neuberg Bose Laboratories.

The JV Agreement was formalised in the presence of Dr GSK Velu, Founder and Chairman of Neuberg and Dr Puratchimani and Dr P Arivarasan of Bose Clinical Laboratory, A Ganesan, Vice Chairman, Dr Saranya Narayan, Technical Director & Chief Microbiologist, Aishwarya Vasudevan, Chief Operating Officer, Neuberg group were also present on the occasion.

The JV agreement between Neuberg and BCL paves the way for establishing a new state of art central laboratory besides upgrading the existing laboratory on Tamil Sangam Road. The JV company will also introduce new generation tests and will make available all high-end laboratory tests at an affordable cost. The JV will establish 10 laboratories and 100 plus collection centres in and around Madurai covering Madurai, Ramnad, Theni, Dindigul and Virudhunagar districts in the next two years.
