Alniche Lifesciences unveils new office in Delhi

27 May 2022 | News

The new office provides scope to accommodate an additional workforce to manage new projects in the future

Alniche has unveiled its new office in Delhi. The new office space doubles the office footprint and supports the company’s growth strategy. The new workplace has been meticulously designed in the modern state-of-the-art and is equipped with the latest amenities.

Says Girish Arora, Founder & MD - Alniche Lifesciences, “This initiative aligns with Alniche’s business growth strategy and provides scope to accommodate an additional workforce to manage new projects in the future."
