

Avisa Smart Hospitals appoints Hamad Taryam Al Shamsi as Director

02 June 2022 | News

Shamsi will spearhead the expansion and on-ground activities of the company to foster innovation and further growth

Healthtech co Avisa Smart Hospitals has announced that Hamad Taryam Al Shamsi, a senior official from the Ministry of Health of Northern Emirates in UAE, has come on board as a Director to strengthen the core team of Avisa Smart Hospitals in the Middle Eastern country. In addition to it, the company also declared the opening of its first offshore state-of-the-art office in Dubai.

Shamsi adds a lot of value to the Avisa Dubai core team. As the Director of Avisa Smart Hospitals, he will spearhead the expansion and on-ground activities of the company to foster innovation and further growth, including the partnership with an increased number of hospitals across the United Arab Emirates.
