Athulya Assisted Living launches 250-bed facility in Bengaluru

14 June 2022 | News

The facility will be operational within a month

Athulya Assisted Living announced its entry into Bengaluru by opening a 250-bedded premium assisted facility, the first one being located in Hosa Road near Sarjapur and the second facility in Whitefield. Athulyas' first Bengaluru facility will fully become operational in a month.

The key focus of Athulya, right from its inception is dedicated senior citizen care that includes assisted living, palliative care, critical home care and transition care services all under one single roof.
