Dr Sweta Gupta joins Crysta IVF as Medical Director

23 June 2022 | News

She has over 25 years of experience

Crysta IVF has appointed Dr Sweta Gupta as Medical Director. In her new role, Dr Gupta will be responsible for overseeing the organisation’s clinical effectiveness and operational strategy to get superior treatment results.

With over 25 years of experience, her work pedigree specifically in NHS (UK), is commendable. She is currently an Editor of the Indian Fertility Society and is a member representative of RCOG NZ India. She is one of the few Indian medical specialists as a membership examiner of RCOG(UK) and a member of the IFS Ethical Committee. She has published many research papers in international and national journals and written chapters and edited books on ART.

In her previous professional capacity, Dr Sweta led Medicover Fertility as Clinical Director. She was Ex Medical Director of Bournhall, Moolchand fertility and was associated with Apollo Fertility before joining Crysta.
