Wunderman Thompson India launches WT Health

28 June 2022 | News

WT Health has experts across creative, medico legal, compliance and public health

Wunderman Thompson India has officially launched Wunderman Thompson Health (WT Health). With a multidisciplinary team of 100 plus, WT Health has experts across creative, medico legal, compliance and public health.

WT Health will be focussed on driving excellence in an evolving healthcare sector and delivering products that are insight-driven and innovative to make a positive impact with key stakeholders.
