CARE Hospitals forays into central India

04 July 2022 | News

Acquires Indore-based CHL Hospitals

Hyderabad-based CARE Hospitals Group announced its entry into Madhya Pradesh through the acquisition of Indore-based CHL Hospitals.

Jasdeep Singh, Group CEO, CARE Hospitals said, “We welcome CHL Hospitals to the CARE Hospitals network and are excited by the potential to create greater accessibility to high-end clinical care to patients with our combined expertise in central India. This partnership with CHL consolidates our presence further with a leadership position in the key geography of the country."

Rajesh Bhargava, CMD, CHL Hospitals said, “We welcome CARE Hospitals to take the lead in growing CHL Hospitals in Indore and other parts of the state. With the new transition, our teams are looking forth to supporting CARE Hospitals in its endeavour to scale up CHL Hospitals in central India.”

Vishal Bali, Chairman, CARE Hospitals, added, “These cities will also contribute significantly to the rise in healthcare consumption and power the next phase of growth for the healthcare sector."
