HealthPlix achieves 20 m patients mark

12 July 2022 | News

Consultation with diabetologists top the charts

HealthPlix Technologies announced a milestone of 20 million+ patients treated on the platform. The doctor-first B2B start-up attributes its success to doctors using the platform to drive better health outcomes for patients.

The company has witnessed a surge in patient engagement with a 100 per cent increase in H1-2022 vis-à-vis H1-2021. Today doctors are using the platform to serve 1.4 million+ patients every month across 16 specialities.

The company currently serves close to 2.2 per cent of India’s patient population and is working towards national health missions like Ayushman Bharat Digital Mission(ABDM).
