Karnataka, Manipur and Chandigarh top NITI Aayogâ??s India Innovation Index 2021

21 July 2022 | News

The third edition highlights the scope of innovation analysis in the country by drawing on the framework of the Global Innovation Index

Karnataka, Manipur and Chandigarh have topped in their respective categories in the third edition of NITI Aayog's India Innovation Index. The index was released by NITI Aayog Vice Chairman Suman Bery in the presence of Member Dr VK Saraswat, CEO Parameswaran Iyer and Senior Adviser Neeraj Sinha, and Institute for Competitiveness Chairman Dr Amit Kapoor.

While Karnataka has topped again in the 'Major States' category, Manipur is leading the 'North East and Hill States' category and Chandigarh is the top performer in the 'Union Territories and City States' category.

Prepared by NITI Aayog and the Institute for Competitiveness, the India Innovation Index is a comprehensive tool for the evaluation and development of the country's innovation ecosystem. The third edition highlights the scope of innovation analysis in the country by drawing on the framework of the Global Innovation Index. The number of indicators has increased from 36 (in the India Innovation Index 2020) to 66 (in the India Innovation Index 2021). The indicators are now distributed across 16 sub-pillars, which, in turn, form seven key pillars.
