In Partnership with

The Federation of Asian Biotech Associations (FABA) will organise an event titled 'Venture Capital – Biotech Startup Connect', to be held on August 18 and 19. The event is being planned in association with the leading incubation centres in the country in the biotech sector and by involving several international VCs, startups, and dignitaries from the government, big biopharma and entrepreneurial ecosystem enablers.

The event will be inaugurated by Dr Renu Swarup, Former Secretary, Dept. of Biotechnology Ministry of Science & Technology, Government of India. The target audience is mainly the angel investors / VCs / international VCs coming down to India for networking and partnering with biotech startups as well as entrepreneurs working on biotech technology-based startups.
