

15th edition of CPHI & PMEC India showcases impressive array of pharma technology

29 November 2022 | News

CPHI & PMEC India 2022 commenced at India Expo Centre, Greater Noida, Delhi – NCR on 29 November, to continue till 1 December

Focused on demonstrating a new shape of the pharmaceutical manufacturing in the post COVID-19 era, CPHI & PMEC India 2022, organised by Informa Markets in India, commenced at the India Expo Centre, Greater Noida, Delhi – NCR on 29th November 2022.

The co-located shows provided a unique opportunity to all the stakeholders to discuss the entire range of pharma machinery, analytical instruments, laboratory technologies and equipment's, ancillaries, ingredients and more in a hybrid format.

After the successful conclusion of CPHI Pre-Connect Congress on the previous day, the 15th edition of CPHI & PMEC India on the theme #GetPharmore with Pharmore opportunities and Pharmore connections, witnessed one of the largest gatherings of industry experts, leading manufacturers, buyers' community, policy advisors, and other key stakeholders.

The grand inauguration ceremony was marked by the presence of key dignitaries- Dr Veeramani S.V, Vice-Chairman Pharmexcil, Alessandro Liberatori, Director, Italian Trade Commissions, AVPS Chakravarthi, Ambassador – World Packaging Organisation & Board Member Pharmexcil, Bodh Raj Sikri, Chairman, Federation of Pharmaceutical Entrepreneurs, Margaret Ma, President & CEO Informa Markets Asia, Chris Eve, Executive. Vice President, Informa Markets Asia; Yogesh Mudras, Managing Director, Informa Markets in India, Rahul Deshpande, Senior Group Director, Informa Markets in India, and Ranjith Paul, Group Director, Informa Markets in India.

Offering the industry perspective, Dr Veeramani S.V, Vice-Chairman Pharmexcil, said "There is a strong push from the Government towards creating an ecosystem for innovation so that India can become a leader in discovery of drugs and medical technology. Currently, the Indian Pharmaceutical market is valued at around \$50 billion, out of which almost \$25 billion constitutes the export market. CPHI & PMEC India 2022 has provided an unbiased and vocal platform which brings all the key stakeholders on one table and contribute towards nation's target, with the vision that the domestic market will touch \$130 billion by 2030 out of which over 60% will only be exports. "

This year's edition saw participation of over 40,000 visitors and more than 1,500 exhibitors showcasing 5000+ products across 100,000+ sq m of exhibition space with representation from over 80 + countries.
