BeatO appoints Dr Navneet Agrawal as Chief Clinical Officer

22 December 2022 | News

For heading BeatOâ??s diabetes care programmes that empower people living with diabetes to manage and control their condition better

New Delhi-based startup BeatO has announced the appointment of Dr Navneet Agrawal as its Chief Clinical Officer.

Dr Agrawal will head BeatO's proprietary Diabetes Care Programmes. He is an MBBS, MD, Ph.D., FCCP, FIACM, Dip. Diabetology with over 22 years of clinical experience and more than 16 years of teaching experience. He has published more than 100 research papers in several prestigious national and international journals.

Dr Agrawal has treated over a lakh patient hailing from metros, tier 2 and tier 3 towns across India and helped them to control and manage their diabetes. He has trained over 300 diabetes educators and imparted his rich and diverse experience to train and certify qualified and dedicated diabetes educators and doctors from across the country.

He has designed the clinically verified BeatO Diabetes Care Programmes which provide personalised digital care solutions with proactive and supervised diabetes counseling by doctors and health experts on diet planning, exercise advice, and medication. The programme has over 25,000 enrolled users and is tailor-made for people with pre-diabetes, type 2 diabetes, gestational diabetes, and type 1 diabetes.
