Startup India Innovation Week felicitates winners of National Startup Awards 2022

Startup India Innovation week culminated on 16th January 2023 with felicitation of winners of National Startup Awards 2022 on National Startup Day. The awards were presented by Union Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, Piyush Goyal in New Delhi.

Multiple startups were recognised across various sectors such as agriculture, fintech, health & wellness, environment, construction, education & skill development, energy etc.

Within the Health & Wellness sector, six startups received recognition-

1. **YourDOST Health Solutions** (Mental wellbeing)- The startup provides an online counselling and emotional support platform designed to foster mental wellness
2. **JC OrthoHeal** (Medical Devices)- The startup focuses especially on the orthopaedics medical devices segment
3. **Algorithmic Biologics** (Life sciences)- The startup provides cloud-delivered services to diagnostic labs that increases their efficiency by 20 times
4. **Prantae Solutions** (Diagnostics)- The startup develops inventive and innovative products to enable decentralization of early diagnostics
5. **Mallipathra Nutraceutical** (AYUSH)- The startup is cultivating the world's costliest, high medicinal value instilled Cordyceps mushrooms
6. **Medulance Healthcare** (Access to Healthcare)- The startup is looking to solve the problem of ambulance availability by digitising the medical transportation segment

National Startup Awards 2022 acknowledges startups and enablers who have been instrumental in revolutionising the development story of India and in demonstrating exceptional capabilities not just in terms of financial gains but also for the measurable impact on society.
