

First-time National Level Expo on Medical Devices sector taking place in Gujarat

24 April 2023 | News

Department and Industry Associations to organise 3 days National Level Expo in Gandhi Nagar, Gujarat

To highlight the capabilities of Indian Medical Devices Sector under the G-20 Indian Presidency, the first ever expo being spearheaded by the Government in association with Indian medical devices industry, the three-day India MedTech Expo (IMTE)-2023 will be held in Gandhi Nagar, alongside the G-20 Health Ministers meeting in August 2023, for showcasing the capabilities of Indian Medical Devices Industry and to create opportunities to network and explore collaborations both for the sector's growth in India and its potential contribution globally.

Department of Pharmaceuticals is planning to organise a large-scale first-time National Level Expo on Medical Devices sector for three days (18-20 August 2023), at Helipad Exhibition Centre, Gandhi Nagar, Gujarat. The G-20 Health Ministers meeting is scheduled at Gandhi Nagar from 17-19 August 2023.

India MedTech Expo, rescheduled to be held in January 2023, received tremendous response from the MedTech Industry and with the plan to host the same in August 2023 in alignment with the G-20 Health Ministers meeting, will give the much needed boost to this Sunrise Sector, which the Department of Pharmaceuticals is supporting through various initiatives such as PLI scheme, Medical Devices Park Scheme, etc.

About 150+ startups, more than 275 Indian and International Medical Device companies and MSME units, and about 50 Research Institutions will be participating in the Expo. About 200 foreign buyers will be hosted for B2B engagement.
