8th edition of International Conference on 'India Pharma & India Medical Device 2023' to open in Delhi

20 May 2023 | News

To promote India as a Manufacturing hub of quality medical products in the Pharmaceutical and Medical Devices Sector

The Union Minister for Chemicals and Fertilizers Dr Mansukh Mandaviya will inaugurate the 8th edition of the International Conference on *'India Pharma & India Medical Device 2023'* organised by the Department of Pharmaceuticals in association with Federation of Indian Chambers of Commerce and Industry (FICCI) from May 26 - 27, 2022 in New Delhi.

As part of the conference, Dr Mandaviya will launch the National Medical Devices Policy, 2023, as well as the Export Promotion Council for Medical Devices.

The Union Minister will also launch a new scheme named ‘Assistance for Medical Devices clusters for Common Facilities (AMD-CF') with the objective to strengthen or establish common infrastructure facilities in the medical devices clusters and also to strengthen or establish testing facilities for medical devices.

The annual flagship conference will be conducted over two days – 26th May 2023 dedicated for India Medical Device sector on the theme "Sustainable MedTech 5.0: Scaling and Innovating Indian MedTech," and 27th May 2023 dedicated for the Pharmaceutical sector on the theme "Indian pharma industry: Delivering Value through Innovation.

Over 100 CEOs of the pharmaceutical and medical device industries will participate in several thematic sessions during the two days, bringing participation from all over the world to the event. More than 700 participants from the pharma and medical devices sectors are expected to attend the two-day conference.
