G20 Global Pharma Summit 2023 Series to be held across 20 major cities

26 May 2023 | News

Launch of the G20 Global Pharma Summit Series marks a significant milestone in the global healthcare and technology landscape

The Chief Minister of Andhra Pradesh, YS Jagan Mohan Reddy, recently unveiled the brochure of the highly anticipated G20 Global Pharma Summit 2023 Series. The launch of this series signifies a significant step towards addressing global healthcare challenges and promoting technological advancements.

Following the resounding success of the Global Tech Summit held in various G20 cities, including Vizag, Zurich, Amsterdam, and Rome, the G20 Global Pharma Summit Series and G20 Health Summit Series will be hosted in major cities across the G20 countries.

The cities include Riyadh, Seoul, Tokyo, Rome, Paris, New York, Melbourne, Beijing, London, and New Delhi. These global summits will serve as unparalleled platforms for experts, researchers, and industry leaders to come together, share knowledge, and contribute to the advancement of healthcare and technology on a global scale.

The G20 Global Pharma Summit Series and G20 Health Summit Series led by the Pulsus Group are organised in collaboration with esteemed international partners, such as Walsh Medical Media from the USA, Conference Series from the UK, Longdom Group from Belgium, Ashdin Publishing from the Middle East, and EuroSciCon from the European Union Conference Group.

These summits aim to identify and recognize subject experts in major fields of healthcare and technology, offering them a unique platform to showcase their expertise and contribute to global advancements. Additionally, the events provide an opportunity for startup companies to promote their ventures, network with potential investors and collaborators, and raise funds to further their innovative projects.

Chief Minister YS Jagan Mohan Reddy expressed his support and highlighted the importance of showcasing investment opportunities in Vizag and Andhra Pradesh during the series of summits.
