

State-of-the-art lab for precision medicine opens at Sarvodaya Hospital, Faridabad

17 July 2023 | News

Sets a new benchmark to improve the healthcare landscape of Haryana

Sarvodaya Hospital, Sector 8, Faridabad has launched one of the city's most advanced departments for Pathology and Lab Services. The NABL-accredited Lab with the latest advancements in technology and diagnostics was inaugurated by the Governor of Haryana, Bandaru Dattatreya.

Located within the premises of Sarvodaya Hospital, the Advanced Lab represents a significant milestone in the hospital's mission to enhance its medical services continuously. Equipped with the most advanced diagnostic equipment and staffed by highly skilled histopathologists, microbiologists, haematologists, pathologists and other doctors, the lab plays a pivotal role in diagnosing routine to rarest conditions, enabling rapid high-end procedures and investigations.

Sarvodaya Healthcare has established its legacy of clinical excellence by setting up tertiary & secondary care hospitals, health clinics, diagnostic & imaging centres and dialysis centres across Faridabad, Greater Noida, Delhi-NCR and Mathura.

The flagship unit of the group, Sarvodaya Hospital is a 450-bedded super speciality hospital that serves people across Faridabad & Delhi-NCR with preventive and curative services under several super specialities like Comprehensive Cancer Care & Bone Marrow transplants, Nuclear Medicine and Theranostics, Orthopaedics & Robotic Joint Replacement, Neurosciences, Paediatric to Adult Cardiology & Cardiac Surgeries, Dialysis & Kidney Transplant, Minimal Access Surgery, Urology & LASER Urological Surgeries, etc.
