Agilus Diagnostics strengthens presence in Hyderabad with advanced lab in Panjagutta

21 August 2023 | News

Panjagutta laboratory sprawled over 5000 sq ft is Agilusâ?? first laboratory in the city of Hyderabad

Agilus Diagnostics, a subsidiary of Fortis Healthcare, has announced the launch of a new laboratory in Panjagutta. The advanced laboratory has the capacity to process 60,000+ samples in a month ranging from simple routine tests to semi-specialised and specialised tests.

Recognising the rising demand for quality diagnostic services, Agilus has expanded its capabilities by launching this laboratory in Hyderabad. The citizens of Hyderabad will now have access to Agilus' extensive test menu comprising of 3,000+ tests and a range of well-curated preventive healthcare packages. The lab will cater to Hyderabad and nearby districts namely Warangal, Karimnagar, Nizambad, Rangareddy etc.

The advanced laboratory spread over 5000 sq ft has multiple laboratory divisions including hematology, biochemistry, clinical pathology, serology and microbiology.

This new laboratory will complement the network of over 30 collection centres in the state of Telengana.
