

Bengaluru Tech Summit 2023 set to redefine boundaries of technology and innovation

28 August 2023 | News

BTS 2023 is positioned at a critical intersection, where the brightest minds will converge

“The 26th edition of the Bengaluru Tech Summit (BTS) is set to surpass all expectations with an unparalleled scale and an unprecedented level of global participation. This summit will redefine the boundaries of technology and innovation. The summit is scheduled to take place at the iconic Bangalore Palace from November 29 to December 1, 2023” said Priyank Kharge, Minister for IT & BT, Government of Karnataka.

Speaking at the Global Innovation Alliance (GIA) Partners meeting in Bangalore on August 28, he said “BTS 2023 eagerly awaits the presence of esteemed high-level government and industry delegations from renowned tech nations.”

BTS 2023 is positioned at a critical intersection, where the brightest minds from the Startup Community, pioneering Research labs, SMEs, leading corporations, and industries will converge. Together, they will showcase the rapid advancements in IT and DeepTech, the Metaverse and WEB 3.0, Electronics and Semiconductors, Animation, Visual Effects, Gaming, Telecom, and 6G, as well as Biotech and Health tech. This grand gathering promises to push the boundaries of innovation and technology, creating a vibrant platform for collaboration and knowledge exchange among visionary minds.

Bengaluru Tech Summit 2023 will feature a diverse and enriching Event Spectrum. The summit encompasses a Multi-Track Conference on IT & Electronics, Deep Tech, Startups & Biotech, an International Exhibition, the Global Innovation Alliance, the India-USA Tech Conclave, the India Innovation Alliance, R&D-Lab2Market, B2B Meetings, STPI IT Export Awards, Smart Bio Awards, Unicorns Felicitation, Rural IT Quiz, Bio Quiz, and Bio Posters.

BTS 2022 marked an incredible success with a record-breaking number of participants, including 405 Speakers, 9356 Delegates, 585 Exhibitors, 25,738 Registered Visitors, over 50,000 Expo footfalls, and 104 Biotech posters. Over the years, the Bengaluru Tech Summit has consistently drawn substantial participation from GIA partners. In the previous edition, the event saw a remarkable presence with representatives from 30 countries. Among them, 17 countries organised engaging GIA sessions, featuring a diverse panel of 104 speakers. Additionally, BTS 2022 was graced by esteemed ministerial delegations from Australia, Finland, and the United Arab Emirates, along with active involvement from Ambassadors representing seven countries.
