

Lupin acquires five brands from Menarini to strengthen key therapy portfolio in India

23 September 2023 | News

Lupin has been marketing the scope brands for Menarini since 2021

Global pharma major Lupin has signed an agreement to acquire five legacy brands in strategic therapy areas - Gastroenterology, Urology and Anti-infectives from Menarini (A. Menarini India Private Limited and A. Menarini Asia-Pacific Holdings Pte. Ltd.), along with the associated trademark rights. The brands are Piclin (Picosulphate Sodium), Menocyl (Otilonium Bromide), Sucramal O (Sucralfate + Oxetacaine), Pyridium (Phenazopyridine) and Distaclor (Cefaclor).

Lupin has been exclusively marketing these brands in the Indian market since July 2021 under a distribution and promotion agreement with A. Menarini India Private Limited. This strategic acquisition for the Indian market marks a significant step forward for Lupin as it continues to expand its presence in India. These legacy brands help Lupin in further enhancing its diverse portfolio and solidifying its position as a leading pharmaceutical organisation in India.

Commenting on the acquisition, Nilesh Gupta, Managing Director, Lupin said, "This acquisition aligns well with our strategic goal to broaden our presence in the Indian market. By offering a comprehensive range of products, our aim is to deliver even greater value to our stakeholders and the communities we serve."
