TRUSTlab Diagnostics expands national presence by opening 6 new labs

29 October 2023 | News

Planning to open additional 7 labs by March 2024

TRUSTlab Diagnostics has announced a significant expansion initiative across India, representing a huge step towards its mission of delivering accessible, precise and top-quality diagnostic services nationwide.

In a move that underscores its unwavering commitment to excellence, TRUSTlab Diagnostics takes pride in introducing the inauguration of five new state-of-the-art laboratories. These cutting-edge facilities are situated in Noida, Patna, Bengaluru and at Hanamkonda & Karimnagar in Telangana.

Additionally, TRUSTlab has established a collaboration with Blossom Hospital in Rajahmundry for their lab services. In the current fiscal year of 2023, TRUSTlab has already opened 10 such labs, and they plan to open an additional 7 labs by March 2024.

These newly established laboratories will offer a comprehensive range of departments, including Biochemistry, Hematology, Assay & Hormones, Clinical Pathology, and more. TRUSTlab Diagnostics plans to establish additional centres in the upcoming months, in an effort to ensure that the entire population of India has access to advanced and affordable diagnostic services.
