Prime Minister inaugurates two Ayush Projects in Jhajjar and Pune

26 February 2024 | News

For promoting holistic healthcare through traditional systems

Prime Minister Narendra Modi has inaugurated virtually two institutes of Ministry of Ayush which will further promote holistic healthcare scenario in the country. The ‘Central Research Institute of Yoga & Naturopathy’ (CRIYN) at Jhajjar, Haryana, and the National Institute of Naturopathy (NIN) titled ‘NISARG GRAM’ in Pune, Maharashtra were inaugurated.

Central Research Institute of Yoga & Naturopathy, Jhajjar (Haryana), built under the aegis of Ministry of Ayush, includes a 200 bedded hospital with OPD, Treatment Block, Academic block, Hostel and Residential Block apart from Yoga Block and Diet Block. The 19 acre project has been built with a cost of Rs 63.88 crore.

NISARG GRAM is a 250 bedded hospital with multi-disciplinary research and extension service centre along with a Naturopathy Medical College for Under Graduate (UG)/Post Graduate (PG) /Para Medical Courses. The college is also having residential & non-residential facilities comprising Boys & Girls Hostel, Auditorium, Yoga Hall, Cottages, and the famous Gandhi Memorial Hall is also an integral part of the campus. The 25 acre project costs a total of Rs 213.55 crore.
