

SPARSH Group of Hospitals invests Rs 250 Cr into new facility in Bengaluru

13 May 2024 | News

New super-speciality hospital has 40 specialties to its credit

The SPARSH Group of hospitals, one of the largest multi-speciality healthcare providers in Karnataka, has launched its new cutting-edge super speciality hospital at Yelahanka, Bengaluru.

With an investment of around Rs 250 crore, the hospital is equipped with 250 beds that includes 50+ critical care beds, a dedicated NICU with 20+ beds for newborns, two state-of-the-art Cath Labs and 10 advanced operation theatres to serve patients of all age groups.

The hospital was inaugurated by Chief Guest D. K. Shivakumar, Deputy Chief Minister of Karnataka in the presence of JAGADGURU Shivarathri Deshikendra Swamiji and Dr Sharan Shivaraj Patil, Chairman and Chief Orthopaedic Surgeon, SPARSH Group of Hospitals, Bengaluru.

With 40 Specialties, the hospital strives to provide comprehensive and specialised care spanning various medical disciplines. Through the Centres of Excellence in Neurosciences, Cardiac Sciences, Gastro Sciences, Renal Sciences, Women & Childcare, Head and Neck Surgery, Trauma Care, and Emergency Medicine amongst others, the facility ensures that every patient receives focused expert care, tailored to their unique healthcare requirements. The hospital also offers 24/7 Emergency Care & Diagnostic Services and a drive-through pharmacy for convenient access.
