Brigade Group and Ramaiah Memorial Hospital open new medical facility

22 May 2024 | News

To provide primary and acute and urgent care services that are of worldclass quality, easily accessible, and patient friendly

Brigade Group, in association with Ramaiah Memorial Hospital, has inaugurated a brand-new medical facility at Brigade Orchards, Devanahalli, Bengaluru.

Christened Ramaiah Hospital at Brigade Orchards, this hospital, constructed in Brigade's 135-acre smart township in Devanahalli, will serve as a neighbourhood healthcare centre to begin with and will be seamlessly connected to the main Ramaiah Memorial Hospital, a super specialty quaternary care state-of-the-art hospital of the Ramaiah group.

The new facility, at Brigade Orchards, comprises 30 individual deluxe rooms and will provide urgent acute care, laboratory and radiology investigation service, state-of-the-art outpatient department with a broad spectrum of specialities such as Acute and Urgent Care, Non-invasive specialties like Cardiology, Neurology, Nephrology, Bone, Joint & Spine Care, Obstetrics & Gynaecology, Children's health, Cancer Care, and Physiotherapy with Rehabilitation.

The facility will also have dedicated Specialty Clinics like Elders Health & Women's Health Clinic, Epilepsy & Movement Disorders Clinic, Spine & Back Pain Clinic, Arrhythmia & Heart Failure Clinic, Arthritis & Osteoporosis Clinic. The support functions will include a well-equipped laboratory, radiology services wherein both individuals, families and corporate employees can undergo routine and annual health check-ups.
