Neuberg Diagnostics launches Centre of Excellence for Integrated Diagnostics in Chennai

19 July 2024 | News

Offers a comprehensive range of diagnostic services under one roof

Neuberg Diagnostics, a leader in the field of medical diagnostics with a strong presence across India, South Africa, UAE, and the USA, has announced the launch of its Centre of Excellence for Integrated Diagnostics in Chennai.

This new centre offers a comprehensive range of diagnostic services under one roof, manned by experienced medical professionals committed to providing accurate diagnostic testing services. The facility is equipped with advanced Imaging, advanced foetal medicine, cardiology Services, pathology testing services.

The Centre of Excellence for Integrated Diagnostics was inaugurated by Indira Kameswaran, Director with Madras Ent Research Foundation.

The Foetal Medicine Centre was inaugurated by Dr Mohan Kameshwaran, Managing Director of Madras ENT Research Foundation and Founder of MERF Institute of Speech & Hearing, in the presence of Dr GSK Velu, Chairman and Managing Director of Neuberg Diagnostics, Dr Bavaharan Rajalingam, Head of Radiology at Neuberg Diagnostics, and A Ganesan, Vice Chairman of Neuberg Diagnostics.

Indira Kameswaran also launched specially curated Women's Wellness Packages under the brand of "Neuberg for her" for various age groups and life events right from Puberty to Maternity to Geriatric Care.

Dr GSK Velu, Chairman and Managing Director of Neuberg Diagnostics, said, "With the expansion of CT/MRI facilities and the addition of the foetal medicine centre, Neuberg OMR facility now houses all diagnostic modalities under one roof, serving both wellness and illness segments with designated areas. Our goal is to ensure that every patient receives timely and precise diagnoses, leading to better health outcomes. As part of our expansion, we have 10 integrated centres in West Bengal and Raipur, Chhattisgarh, and this will be our 11th integrated diagnostic centre. Neuberg also plans to expand its integrated diagnostics centre presence across Tamil Nadu in the next two years."
