For fostering academic excellence and technological advancement

A significant Memorandum of Understanding (MoU) has been signed between All India Institute of Ayurveda (AIIA), New Delhi and Amity University, Noida, to collaborate on education, research, and technology.

The MoU was signed by AIIA Director, Prof. Tanuja Nesari, and Joint Registrar of Amity University, Asha Premnath. This MoU extends the ongoing five-year agreement with Amity University. The MoU was signed under the leadership of Amity University Chancellor, Dr Atul Chauhan, and under the aegis of the Ministry of Ayush, Government of India.

The objective of the MoU is to promote collaborative education programmes, publications, capacity-building, and joint capacity-building projects. This includes fostering academic excellence, technological advancement, and state-of-the-art programmes through capacity building and lifelong learning. The MoU will facilitate the exchange of students and faculty for academic, research, and training purposes.

AIIA has signed 40 MoUs with national-level technical institutions and universities, including major institutes like IIT and CSIR, to promote research and documentation in the field of Ayurveda. Additionally, 17 MoUs have been signed with renowned international institutions.
