The initiative will encourage and motivate emerging biotech startups

Merck Life Science in India has signed a Memorandum of Understanding (MoU) with the Department for Promotion of Industry and Internal Trade (DPIIT) towards a Viksit Bharat.

Sumeet Jarangal, Director, Startup India, DPIIT, and Aditya Sharma, Head of Process Solutions, India Region, Merck Life Science signed the MoU in the presence of Sanjiv Singh, Joint Secretary of DPIIT and other esteemed dignitaries from Startup India and DPIIT.

This collaboration under DPIIT's Startup India initiative aims to build a stronger India by empowering its emerging biotech startups and providing access to work-of-art global technologies that deliver, foster, and promote the manufacturing ecosystem of the nation towards Viksit Bharat.

The initiative will encourage and motivate emerging biotech startups, innovators and entrepreneurs by nurturing ideas and amplifying new product development by overcoming the valley of death.
