Venture Center wins gold at inaugural CII-AMTZ MedTech Quality Champion Awards 2024

29 November 2024 | News

Key to this achievement is Venture Center's ISO-certified MedTech Cleanroom

Pune-based Venture Center, India's leading technology business incubator focused on science and technology startups, has been awarded the Gold Award in the Service Enterprise category at the inaugural CII-AMTZ MedTech Quality Champion Awards 2024.

The award was presented at the 32nd CII Excellence Summit held in Bengaluru on November 27, 2024, where Chetna Dharmavat Dabi, Associate Manager – Regulatory Services, received the award on behalf of Venture Center from Dr Jitendra Sharma is the Managing Director and Founder CEO of Andhra Pradesh MedTech Zone (AMTZ).

The CII-AMTZ MedTech Quality Champion Awards aim to foster a culture of excellence in the medtech industry by encouraging organizations to set higher standards in quality and innovation. This prestigious recognition highlights Venture Center's exceptional services that empower medtech startups to innovate and succeed in the competitive healthcare sector.

Key to this achievement are Venture Center's ISO-certified MedTech Cleanroom, regulatory support for Indian, European, and US markets, and personalised mentoring for medtech startups. Additionally, the center has built a comprehensive database and library of regulatory information, offering startups valuable access to resources and service providers for standard tests and documentation.

Venture Center's ISO-certified MedTech Cleanroom Facility, which was recently recertified for ISO 13485:2016, is designed to support bio-entrepreneurs, startups and larger enterprises, and enables the manufacturing and packaging of medical devices.
