Rohit Boda will provide strategic support on global markets to Zyla Health

Gurugram-based Zyla Health, a care management platform, has announced the onboarding of renowned industry leader, Rohit Boda, to the Board of Advisors.

His distinguished career and wealth of experience marks a new chapter in Zyla's Health mission to redefine care management globally with data-driven, tech-enabled solutions.

Boda, Group Managing Director at J.B.Boda Group and Founder Chairman of RB Ventures, is a third generation entrepreneur poised as a visionary in the Insurance & Reinsurance sector. He upholds a commitment to service-oriented brokerage and steers the Group's operations.

With over a decade of experience in the industry and leadership roles, he brings valuable insights gained from his family's long-standing presence in the Insurance & Reinsurance broking business with trading partnerships in over 90 countries. Boda will help Zyla Health in unlocking global partnerships to implement its clinical risk management solutions with global insurers.

As the healthcare and insurance industries continue to converge, the appointment of Rohit Boda to Zyla Health's Board of Advisors is expected to bring significant strategic value. Known for his expertise in the insurance and reinsurance sectors, Boda's insights will help Zyla Health develop innovative solutions tailored to the needs of its users and clients. His involvement aligns with Zyla's Health efforts to expand its technology-driven health solutions, aiming to make them more

accessible and impactful for individuals and insurers.

A forward-thinking investor, he actively supports innovative startups shaping the future. As the Founder of RB Ventures, a Dubai-based entity, he connects global investors with high-impact ventures in the insurance, reinsurance, and insurtech sectors.
