SRM Global Hospitals launches Centre for Womenâ??s Health and Wellness

18 February 2025 | News

Housing advanced medical and rehabilitative facilities with a special focus on pregnancy and post-pregnancy wellness

Chennai-based SRM Global Hospitals has launched the Centre for Women's Health & Wellness – WOW, to provide comprehensive, high-quality, and patient-focused medical services, ensuring that women receive exceptional care at every stage of life.

The centre was inaugurated by Manimangai Sathyanarayanan, Managing Director, SRM Global Hospitals, in the presence of Dr V.P. Chandrasekaran, Chief Operating Officer of the hospital.

WOW houses modern labor and delivery rooms, maternity wards, a neonatal intensive care unit (NICU), fertility clinics, ultrasound and imaging facilities, gynecological operating theaters, breast health and screening units, fertility consultation and counseling rooms, emergency and trauma care, and physiotherapy and pelvic floor rehabilitation services.

The team of specialists includes Gynecologists, Obstetricians, Maternal-fetal medicine specialists, Dermatologists, and Pelvic floor Therapists, besides Nutritionists/Dietitians, Lactation specialists, and yoga exponents.

On the focus of the healthcare services provided by WOW, Dr Saswati Tripathi, Senior Consultant—Obstetrics & Gynaecology, said, "With a team of renowned Obstetricians and Gynaecologists, the hospital is committed to providing personalized treatment plans, high-risk pregnancy management, fertility solutions, and postpartum care. The initiative emphasises maternal well-being, neonatal safety, and overall women's health, ensuring a seamless journey from conception to motherhood and beyond."

She added that the hospital follows a transparent pricing model with a fixed fee for delivery, whether normal or cesarean, covering all scans, tests, and even yoga and nutrition sessions throughout the nine-month journey. Any pregnancy-related complications are also included in this cost, ensuring comprehensive care without unexpected expenses.
