Jujhar Group partners with Apollo Hospitals to establish Super-Speciality Hospital in Mohali

18 February 2025 | News

Focusing on cardiology, oncology, orthopaedics, neurology, and gastroenterology

In a significant step toward strengthening healthcare infrastructure in North India, Punjab-based Jujhar Group has announced a strategic collaboration with Apollo Hospitals Enterprise Limited (AHEL).

This partnership will pave the way for the establishment of a cutting-edge 625+ bedded super-speciality hospital, designed to deliver world-class medical services and redefine healthcare standards in the region.

The upcoming facility will provide a wide spectrum of super-speciality services, including cardiology, oncology, orthopaedics, neurology, and gastroenterology, ensuring comprehensive care under one roof. By integrating advanced medical technology, exceptionally skilled professionals, and world-class infrastructure, the hospital aims to set a new benchmark in patient care, focusing on both clinical excellence and compassionate treatment.

The agreement was formally signed by Arshdeep Singh, Executive Director of Jujhar Group, alongside Dr Prathap C Reddy, Chairman of AHEL, and Suneeta Reddy, Managing Director of AHEL. This collaboration combines Apollo Hospitals' extensive expertise across the healthcare ecosystem including hospitals, pharmacies, primary care, and diagnostic clinics; with the Jujhar Group's robust regional presence and infrastructure capabilities.

The hospital's strategic proximity to Chandigarh International Airport positions it as a premier hub for International Medical Value Travel, offering advanced treatment options and holistic care to global patients.

Spanning 6.17 acres with a built-up area exceeding 12 lakh square feet, the hospital's well-connected location provides effortless access to patients across Punjab, Himachal Pradesh, Haryana, and the Union Territory of Chandigarh, offering a transformative healthcare solution for the region.
