# Neuberg Diagnostics opens advanced regional reference laboratory in Madurai

07 April 2025 | News

**Neuberg now has a vast network of 20 labs and 233 collection centres across Tamil Nadu**

Neuberg Diagnostics, a global leader in diagnostic healthcare, has unveiled its advanced regional reference laboratory and wellness centre in Madurai. As the only NABL-accredited standalone advanced reference laboratory in Madurai, Neuberg Bose is set to redefine diagnostic excellence in the region.

The advanced facility was inaugurated by Dr S. Meenakshi Sundaram – Neurologist; Dr GSK Velu, Founder & Chairman, Neuberg Diagnostics; Dr Puratchimani.S, Founder Bose Labs in the presence of distinguished guests.

Further strengthening its healthcare footprint, Neuberg Diagnostics has also inaugurated 10 new collection centres across Madurai district in locations including Sattur(Madurai), Avaniyapuram, Thirunagar, Theni, Kochadai, Nagamalaipudukottai, Ksalai Pudur, Gomathipuram, and Simmakkal.

The inauguration of these centres was conducted virtually by Minister Thiru. P. Moorthy. This expansion aims to provide enhanced accessibility and convenience for patients seeking high-quality diagnostic services in the region.

Residents of Madurai will now have access for an extensive array of over 6000 routine and specialised tests and this advanced laboratory have a capacity to process a remarkable number of 300000 tests samples per month.

Spanning over 15,000 square feet, the facility houses multiple specialised laboratory divisions, including- Haematology, Biochemistry, Clinical Pathology, Immunology, Histopathology, Immunohistochemistry, Molecular Genetics, Cytogenetics, Microbiology, serology, Flow Cytometry and Mass Spectrometry; A comprehensive radiology suite featuring Ultrasound, Audiometry, Ophthalmology, X-Ray, ECG, TMT, Spirometry, and Executive Medical Check-ups.
