NATHEALTH Foundation ropes in Gautam Khanna to its Board

16 June 2025 | News

He has held several key industry roles, including Chair of the FICCI Health Services Committee and the FICCI Medical Device Forum

The NATHEALTH Foundation has announced the appointment of Gautam Khanna to its Board. A distinguished industry leader and General Council Member of NATHEALTH, Khanna brings with him a wealth of expertise in healthcare operations, strategic leadership, and cross-sectoral partnerships.

His appointment marks a significant step forward in the Foundation’s ongoing efforts to build a resilient, inclusive, and innovation-led healthcare ecosystem in India.

Khanna is a distinguished healthcare leader with over thirty-five years of experience across hospital management, medical technology, and health systems. As CEO of P.D. Hinduja Hospital & Medical Research Centre, he has been pivotal in driving patient-centred care, operational excellence, and institutional innovation.

An alumnus of IIT Kanpur and IIM Calcutta, Khanna spent over two decades with 3M, leading its healthcare businesses in South Asia. He actively contributes to national health policy and quality frameworks, serving on the QCI’s APEX Steering Committee for Accreditation++ and as President , Association of Hospitals(Mumbai).

He has held several key industry roles, including Chair of the FICCI Health Services Committee (2022–23) and the FICCI Medical Device Forum, advocating for systemic reforms in healthcare delivery and regulation. He has also been a task force member for the Healthcare/ Hospital Initiatives at IIT Kanpur and Executive Committee member for PAN IIT Alumni, India (2022-2025).
