

Vinod P. Chanrai steps in as Chairman of Jaslok Hospital

10 July 2025 | News

Chanrai has played a pivotal role as Trustee in driving the hospital's IT transformation

Jaslok Hospital and Research Centre, one of Mumbai's leading multi-specialty quaternary care hospitals, has announced a significant leadership transition.

Kanta Masand, who has served with distinction as Chairperson, will now assume the honorary role of Chairperson Emeritus. Vinod P. Chanrai, a longstanding Trustee and key figure in the Jaslok community, has taken over as Chairman.

Building on a strong foundation, Vinod P. Chanrai assumes the chairmanship with a clear vision for the hospital's future. With a background in technology, innovation, and governance, Chanrai has played a pivotal role as Trustee in driving the hospital's IT transformation, strengthening corporate governance, and enhancing research and medical education.

His leadership signals a renewed focus on digital transformation, academic excellence, and next-generation healthcare delivery. This transition reinforces Jaslok Hospital's commitment to strong governance, ethical and inclusive healthcare, and clinical leadership powered by research and technology.
