Fortis Healthcare signs O&M agreement with Ekana Group for greenfield super specialty hospital in Lucknow

21 August 2025 | News

Marks Fortis Healthcareâ??s third major presence in Uttar Pradesh

Fortis Healthcare has signed a collaboration agreement with Ekana Group, Lucknow for operations and management (O&M) of 550 bedded greenfield super specialty hospital to be constructed near Gomti Nagar, Lucknow by the Ekana Group.

Once completed, the facility will be positioned as Centre of Excellence for tertiary care services, bringing advanced medical infrastructure and global best practices to the state capital of Uttar Pradesh.

Speaking on the collaboration, Dr Ashutosh Raghuvanshi, MD & CEO, Fortis Healthcare said, "We are delighted to partner with Ekana Group to bring a state-of-the-art tertiary healthcare facility to the heart of Lucknow. Once operational, this new 550â??bed superâ??specialty hospital near Gomti Nagar will significantly enhance access to advanced medical care for the city and its surrounding regions. This collaboration marks Fortis Healthcare's third major presence in Uttar Pradesh, joining our network hospitals in Noida and Greater Noida and underscores our steadfast commitment to expanding highâ??quality healthcare across the state."

Uday Sinha, Promoter of Ekana Group, said "We are happy to join hands with one of the leading healthcare chains in India - Fortis Healthcare to develop a leading-edge tertiary care hospital, one that will significantly enhance access to advanced medical services and deliver patient care where it's most needed."
