Yadav brings with him over three decades of professional experience

Livasa Hospitals (erstwhile Ivy Hospitals), a leading chain of multispecialty hospitals in Punjab, backed by India Resurgence Fund (IndiaRF), has announced the appointment of Anurag Yadav as its Chief Executive Officer (CEO).

Yadav brings with him over three decades of professional experience, including more than two decades in senior leadership roles across some of India's most reputed hospital networks.

Prior to joining Livasa Hospitals, he served as CEO of Gleneagles Healthcare India and held key executive positions at Manipal Health Enterprises, Fortis Healthcare, and Sakra World Hospital.

A Fellow Member of the Institute of Chartered Accountants of India and an ISB alumnus, Yadav has built a strong reputation of driving operational excellence, scaling operations, optimising procurement and logistics, and building patient-centric systems.

His leadership will steer Livasa Hospitals into its next phase of growth focused on network expansion, enhanced clinical outcomes, innovations, and an elevated patient experience.
