

Thyrocare announces appointment of Dr Ramesh Kinha as Chief Operating Officer

18 December 2025 | News

A seasoned healthcare and diagnostics leader with over 17 years of experience

Thyrocare Technologies Limited has appointed Dr Ramesh Kinha as its Chief Operating Officer, further strengthening its leadership team as the company continues to scale its operations across India.

Dr Kinha is a seasoned healthcare and diagnostics leader with over 17 years of experience across leading organisations in the diagnostics sector, with deep expertise in laboratory operations and quality systems. In his new role, he will be responsible for overseeing lab operations and strengthening quality standards across Thyrocare's network, with a clear focus on consistently raising the bar on diagnostic accuracy and service delivery.

Prior to joining Thyrocare, Dr Kinha served as Group Director – Laboratory Services at Vijaya Diagnostic Centre Limited, where he led critical operational and quality initiatives. His extensive career includes senior leadership roles at Apollo Health & Lifestyle Ltd, Medall Healthcare, Metropolis Healthcare, and SRL Ltd, where he has delivered operational excellence and driven strategic transformation.

A medical professional with strong academic credentials, Dr Kinha holds an MBBS degree and an MD in Pathology. He has also completed senior management and leadership programmes at IIM Nagpur and ISB (Indian School of Business). As a certified NABL (National Accreditation Board for Testing and Calibration Laboratories) assessor, he brings strong expertise in

quality and regulatory excellence.
