API Holdings appoints Shashi Tiwari as Chief Human Resource Officer

22 December 2025 | News

With two decades of cross-industry HR leadership experience across global organisations

API Holdings, India's largest digital healthcare platform, has appointed Shashi Tiwari as its Chief Human Resource Officer (CHRO), further strengthening its leadership team as the group continues to scale its healthcare businesses.

In his new role, Tiwari will lead the people strategy for API Holdings, with a focus on strengthening organisational capability, elevating people practices, and building a future-ready organization.

With two decades of cross-industry HR leadership experience across global organisations like Infosys Ltd and Glenmark Pharmaceuticals, Tiwari brings deep expertise in talent strategy, HR transformation and fostering inclusive culture that drive business success. Over the course of his career, he has led large-scale transformation initiatives and supported business expansion across multiple geographies.

An alumnus of SCMHRD (Symbiosis Centre for Management and Human Resource Development), Tiwari holds a postgraduate diploma in management and a Bachelor of Engineering from the University of Mumbai.

API Holdings' portfolio includes PharmEasy, Thyrocare, Ascent and Aknamed. With his appointment, the company reinforces its focus on building robust people capabilities to support its long-term growth and continue delivering exceptional value to customers, partners, and stakeholders alike.
