Botanic Healthcare appoints Narahari Naidu as Group Chief Financial Officer

17 February 2026 | News

Naidu has led complex finance functions covering financial planning and analysis, fund raising, investor relations

Secundarabad-based Botanic Healthcare, a globally leading nutraceutical company, has announced the appointment of Narahari Naidu as its Group Chief Financial Officer (CFO). The appointment further strengthens the company's leadership team as it continues to build a resilient, future-focused organisation anchored in natural wellness and science-led innovation.

With about 2 decades of finance leadership experience, Naidu has consistently enabled organisations to scale and transform through strategic financial stewardship. A Chartered Accountant and Company Secretary, he has spearheaded initiatives that unlocked capital efficiency, streamlined supply chains, and strengthened governance frameworks to support rapid business expansion.

Across diverse industries, Naidu has led complex finance functions covering financial planning and analysis, fund raising, investor relations, mergers and acquisitions, and regulatory compliance. His hallmark contribution lies in architecting scalable finance structures that not only ensured operational discipline but also accelerated growth trajectories. By aligning financial strategy with business vision, he has played a pivotal role in driving sustainable scale-ups and creating long-term stakeholder value.

Naidu's appointment reflects Botanic Healthcare's continued focus on leadership depth, governance, and long-term value creation as it advances its global nutraceutical mission.
