MRG Group announces strategic collaboration with Arica Pharmaceutical

28 July 2026 | News

To create opportunities for innovation and business expansion

MRG Group, a diversified business conglomerate, has announced its strategic collaboration with Ahmedabad-based startup Arica Pharmaceutical, reinforcing its commitment to supporting India’s rapidly growing healthcare sector while fostering innovation, quality, and community well-being.

The partnership brings together MRG Group’s vision for diversified growth and Arica Pharmaceutical’s expertise in delivering quality healthcare solutions. Established in 2023, Arica Pharmaceutical has built its presence in the pharmaceutical industry with a focus on anti-diabetic, neurosciences, and cardiovascular therapies and is now gearing up to expand into multiple therapeutic categories as part of its long-term growth strategy.

The collaboration is expected to create opportunities for innovation, business expansion, and initiatives aimed at improving healthcare accessibility while strengthening the pharmaceutical ecosystem in India.

The leadership of Arica Pharmaceutical expressed confidence that the collaboration with MRG Group will further strengthen the company’s expansion plans and accelerate its vision of becoming a trusted healthcare partner through quality products, innovation, and patient-centric solutions.

As India’s pharmaceutical sector continues to witness robust growth, the collaboration between MRG Group and Arica Pharmaceutical is expected to lay the foundation for future strategic initiatives focused on healthcare innovation, expansion, and sustainable value creation.
