Kerala Angel Network partners with Sree Chitra Tirunal Institute for Medical Sciences and Technology

18 August 2026 | News

To support the next generation of MedTech innovators

Kerala Angel Network (KAN) has announced the signing of a Memorandum of Understanding (MoU) with SCTIMST TiMed – the MedTech Incubator of Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) Thiruvananthapuram.

The collaboration marks an important step towards strengthening the support system for MedTech and healthcare startups emerging from Kerala.

TiMed, with its strong focus on medical technology innovation and healthcare entrepreneurship, has been instrumental in nurturing startups working on solutions addressing critical healthcare challenges.

KAN aims to work closely with TiMed to identify and support the next generation of MedTech innovators and healthcare entrepreneurs, and to contribute towards building globally scalable healthcare companies from Kerala.
