Dr. Moopen family picks up additional stake in Aster DM Quality Care worth ~Rs 350 Cr

04 September 2026 | News

With the ~0.57% stake increase, current shareholding of Dr. Moopen family goes up to 24.58% in Aster DM Quality Care

Union (Mauritius) Holdings, owned and promoted by Dr Azad Moopen and family, has acquired 46.09 lakh equity shares of Bengaluru-based Aster DM Quality Care, representing approximately ~0.57% of the company's paid-up equity share capital, from TPG-backed Centella Mauritius Holdings.

With the recent purchase of additional stake, the Moopen family now has increased shareholding in Aster DM Quality Care to ~24.58%. The shares were acquired on September 2, 2026, at a price of Rs 760 per share, for an aggregate consideration of approximately Rs 350.34 crore.

The acquisition further strengthens the promoter family's ownership interest in Dr Moopen-led Aster DM Quality Care and underscores the Moopen family's commitment to the company's long-term growth. It also reflects the family's confidence in the potential of the larger, integrated healthcare platform, Aster DM Quality Care, and its ability to deliver sustainable long-term value for shareholders.

Aster DM Quality Care Limited is one of India's leading integrated healthcare providers, formed through the merger of Aster DM Healthcare Limited and Quality Care India Limited. The merged entity will bring together four leading healthcare brands - Aster DM, CARE Hospitals, Evercare and KIMSHEALTH, creating a scaled and diversified healthcare platform with a network of 39 hospitals across 28 cities and over 10,890 beds.
