

BioGujarat

08 September 2004 | News

The Government of Gujarat, Gujarat State Biotechnology Mission (GSBTM) and Confederation of Indian Industry (CII) are organizing, BioGujarat, an exposition-cum-conference on biotechnology during September 10-11, 2004. BioGujarat will be held in Ahmedabad at the Grand Bhagwati. The theme chosen for the event is "Unleashing the Potential". BioGujarat aims at identifying the scope and opportunities in biotechnology and serve as a platform for the industry to meet, network and forge new business tie-ups. In addition to exposition and one-on-one business meetings, leaders from the industry and key policy makers will make presentations.
