

Cabinet approves Joint Declaration of Intent between India and Germany on cooperation in the field of Health

13 July 2017 | News

A Working Group will be set up to further elaborate the details of cooperation and to oversee the implementation of this JDI

The Union Cabinet has given its ex-post facto approval for signing a Joint Declaration of Intent (JDI) between India and Germany on cooperation in the field of Health. The JDI was signed on 1st June, 2017.

The JDI covers the following areas of cooperation in postgraduate education, training of medical personnel, pharmaceuticals and pharmacoconomics and health economics.

A Working Group will be set up to further elaborate the details of cooperation and to oversee the implementation of this JDI.
